

## Reading

We are teaching Reading through routines such as partner reading and 'My turn, Your turn' to model reading fluently.

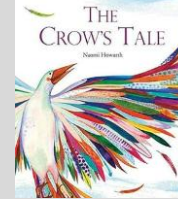

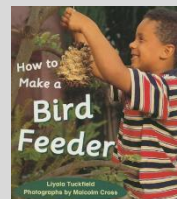

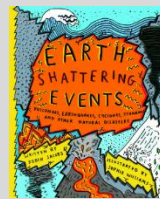

Most children are now off the Read Write Inc phonics programme and all are accessing whole class reading this term. In our Whole class reading sessions, we will study 'Paddington Helps Out' and then some poetry examples.

**Reading at home daily to an adult will help your child to excel in all areas of school life.**

## Writing

As writers, we are developing our skills as proof readers, correcting our sentences with capital letters, punctuation and using powerful language. We will be studying a non-chronological report on Earthquakes, instructions on How to Make a Bird Feeder and then we will study 'A Crow's Tale' by Naomi Howarth.

## Maths

As mathematicians we will develop our understanding of:

- Multiplication + division
- Recognising equal groups
- Using arrays
- Dividing by 2, 5 and 10 (Year 2)
- Multiplying and dividing by 3, 4 and 8 (Year 3)

Times tables practise at home is vital to gain fluency - there are great games here

<https://www.timestables.co.uk/>

## RE

In RE, we will be looking into the big questions:

1. What does it mean to be a Hindu in Britain today?
2. Why does Easter matter to Christians?

## Kingfisher Class

**Curriculum Overview**  
Spring Term 2025-26

## PSHE

In Personal, Spiritual and Health development, we are focussing on **VALUING DIFFERENCE**. We will learn about how we make others feel, respect and challenge, acts of kindness and how we can celebrate our differences. Our school values of **THANKFULNESS** and **COMPASSION** will be central to this learning.

## PE

This term, we have gymnastics to look forward to as well as Dance. In the second half of term, we will be learning ball skills and net games. Our specialist provider, Mr Hayler will come in to provide some extra sessions.

### Forest school/ outdoor learning

Mrs Midwinter will be providing forest school sessions in Spring 2 on a Friday (SPR 1 TBC).

## Art/ Design Technology

As artists, we will create a travel poster for Cornwall in the style of local artist Becky Bettsworth. In DT, we will be learning about how mechanisms work creating a vehicle for a character!

## Science

In Science, we will explore **SUSTAINABILITY** with deforestation and it's impact on soil erosion. We will be developing our knowledge of 'growth for the future' in this unit of learning. Following this, our Science will be based on how a sailboat functions and sustainability of materials.

If you have any questions about your child's learning or require any extra home learning, please speak to Mrs Petersen. Many thanks for all your support.

## History

As Historians, we will be learning about great **EXPLORERS** such as Sir Ernest Shackleton & Sir Ranulph Fiennes.

## Geography

As Geographers, we will be learning about **EARTHQUAKES & VOLCANOES** - *What are the key aspects of the physical geography of volcanoes and earthquakes?*

## Computing

In Computing, we will be learning how to research using a Chrombook safely. We will also be starting to learn programming through sequencing sounds on the 'Teach Computing' scheme of learning.

## French

We will begin our languages journey with introductions and a unit of learning on food.
