

Personal, Social and Emotional <p>In Owl class we will: continue to take care of each other and learn to use our Golden Rules to make the right choices. Identify and express our feelings and consider the feelings of others.</p> 	Physical Development <p>In our physical development we will: continue to learn to move safely in a space negotiating obstacles. Further develop and refine a range of ball skills including throwing, catching, kicking, passing, batting, and aiming. Use scissors safely and correctly. Develop our handwriting through fine motor skills activities.</p>	Communication and Language <p>We will be learning to: talk about ideas and thoughts in well-formed sentences, connecting one idea or action to another. We will use talk to help work out problems and organise thinking and activities. Explain how things work and why they might happen.</p>  
RE <p>The children will explore the word 'God' and why it is so important to Christians.</p> <p>During the second part of the term, we will be listening to and responding to the Easter Story.</p> 	 <p>OWL Class Termly Curriculum Overview Spring term 2026 'Weather & Seasons' 'Growing Plants & Lifecycles'</p>	Expressive Art and Design <p>As artists, designers and musicians we will: create collages to represent different Seasons/Weather. We will continue to use different creative materials such as dough and clay to make and create. We will explore painting and use a variety of tools. We will explore what happens when colours are mixed.</p> 
Literacy <p>As writers and readers we will: continue to form our letters correctly. Use our phonic knowledge to continue to be able to blend and read CVC words. In our Read Write Inc sessions we will learn new sounds daily and use these sounds to read and write. We will share stories about weather, seasons and growing.</p>   <p>Please listen to your child read every day and record in their Reading Record.</p> <p>Weekly visit to the school library is on Thursday.</p>	Mathematics <p>As mathematicians we will: begin using number rhymes using amounts up to 10. We will explore how numbers can be represented in a variety of ways. We will be working on recognising number patterns to 10 without needing to count them. We will be learning to make patterns, describe shapes and build puzzles.</p> 	Understanding the World <p>As geographers, historians and scientists we will: explore the weather and the seasons. The children will investigate growing plants and explore the lifecycles of animals and minibeasts.</p> 
Beach School In our Beach School sessions, we will be learning about sea creatures which live at Crooklets. The children will create sculptures using natural resources. We will learn about Beach Safety in all weather conditions and have the opportunity to learn more about our natural environment.		

'Life in all its fullness' John 10:10
