

We value our relationships with parents and carers and the feedback that we receive, and our annual parent/carer survey is one of the ways in which we hear your voice. We will use this information to consider how we can continually improve what we offer all children across our family of schools.

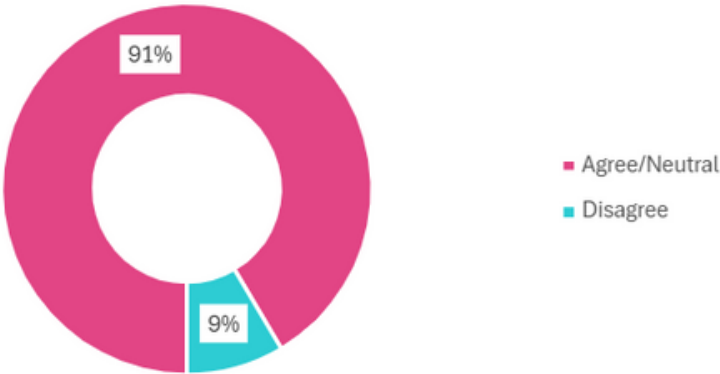

This questionnaire represents the Parent/Carer voice across our school.

My child is happy at school

The school makes me aware of what my child will learn during the year

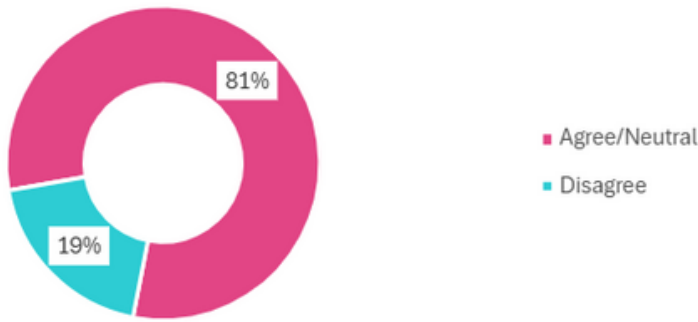

Almost all parents (96%) said the school makes them aware of what their child will learn during the year or had no concerns about this — an increase from 89% last year. This improvement reflects our ongoing commitment to clear communication and transparency about the curriculum.

*'Over the last few years I believe Marhamchurch has become one of the best Primary schools in the area and continues to find new ways to improve all of the time.'*

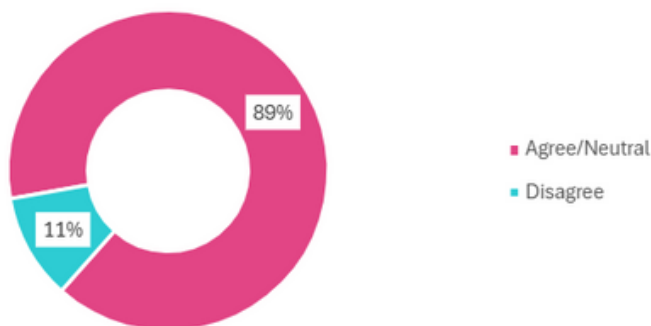

When we have raised concerns with the school they have been dealt with correctly.

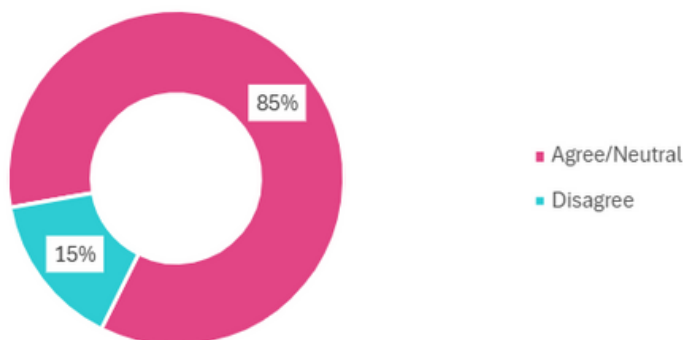

Parents who have raised concerns are satisfied with how their issues have been handled. However, we recognise that 19% of parents feel their concerns have not been adequately addressed. We will continue to work, in partnership, with our committees to ensure that you feel informed about how to raise a concern and how we will deal with them.

The school has high expectations for my child

The positive comments and high percentage aligns with what our children shared in their survey in the Summer Term.

The school lets me know how my child is doing

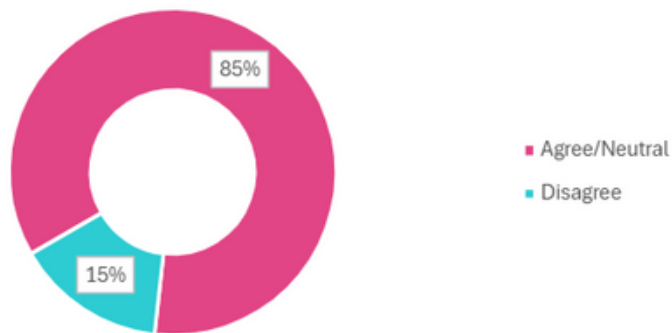

We are pleased that even more of our parents/carers feel that they receive useful information that enables them to work in partnership with us because they understand how their child is doing.

*'We're very happy as are the children at Marhamchurch.'*

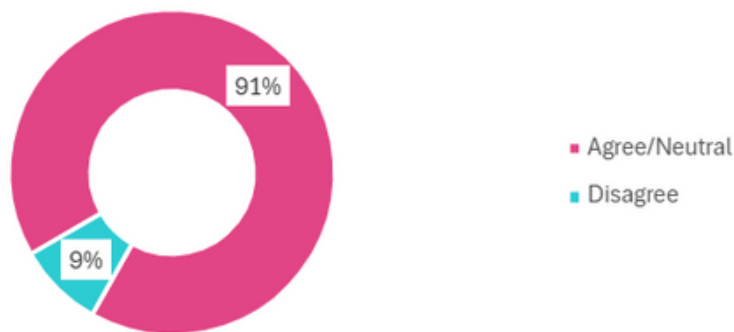

My child learns a range of subjects

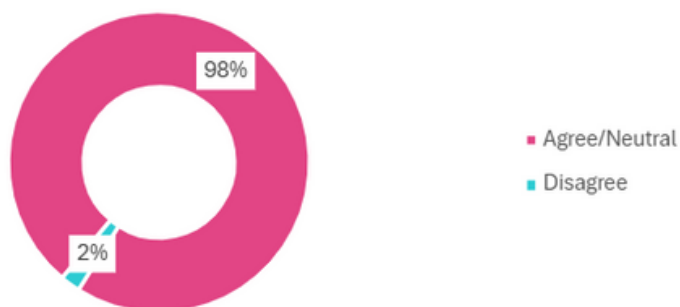

We are delighted that the majority of parents/carers continue to recognise the broad and balanced curriculum that we strive to deliver for every child.

The school helps my child to take part in a wide range of activities, clubs and experiences.

We recognise the importance of the whole curriculum for all our children and we are delighted that both our parents/carers and our children recognise that our schools continue to strive to provide opportunities for enrichment.

I know how to keep my child safe online platforms such as gaming and messaging

We recognise that this is an incredibly challenging aspect of being a parent/carer at the moment as the online world evolves at such a fast pace. We are committed to ensuring that through our curriculum and in our school level communications to you that we support you to navigate the complexities and our children report that they feel safe online and know who to ask if they are worried. Pupil Survey 100%

***'Thank you to all the staff. Your massively positive contributions to our children's development is greatly appreciated.'***
